Our Arena is Hoppin’

Our 18,000 square foot arena is big on fun! There are many different activities that your group can choose from, including basketball, volleyball, flag football, soccer, hockey, obstacle courses (age 10 & under), dodge ball, tug of war, and more.

Dive Into our POOL

During the first two hours of your stay, you can swim in the AquaPlex. Participants can play in the splash park, swim in the lap pool, play water volleyball, lounge in the lazy river or slide down the two story water slide.

Additional time in the AquaPlex can be secured ahead of time for \$250/hour.

Try the climbing wall

During the first three-four hours (depending on your group size), you'll have access to our 30 foot climbing wall. It features multiple routes and can accommodate all skill levels and ages. All climbing gear and staff are provided.

Get your game on!

Play in our Exergaming Studio, where we feature a variety of physically interactive video games. Games include XBOX Kinect, Dance Dance Revolution, Nintendo Wii, Playstation, Exerbike and Skywall (moving climbing wall). This will be available during the duration of your event.

Break Away to the classrooms

The RiverPlex also offers classroom space that can be divided into three separate areas or combined to create one large room. One room includes a full kitchen with refrigerator, oven, stove, microwave and sink. We can bring comfortable seating in to create a more relaxed atmosphere for movies or leave things open for a secluded sleeping area.

Still Need More Room?

If your group plans to have over 150 participants, you may use the Member's gym for more activities.

Outside Services

You may bring in outside services to use in the arena space, such as inflatables, photo booth, food, etc. Please inform the RiverPlex of your intention to do so.

Availability
